

WHY ASHTON?

- On entering Ashton International College, Ballito, Form 1 (Grade 8) students are introduced to our **'Two Worlds in One' academic programme, the IEB (Independent Examination Board) and the Cambridge Curriculum.**
- Unlike other High School programmes, we at Ashton allow our students to select both their curriculum and subject choices at the end of their Form 1 (Grade 8) year. The students who have achieved an adequate average may select the Cambridge curriculum and write their international matric Cambridge IGCSE at the end of their Form 3 year (Grade 10), while offering the IEB to all other students opting to write the South African IEB National Senior Certificate.
- The beauty is in the detail, as this means that our Form 1 students, on selection of their subject choice and curriculum, reduce their current 12 subject load to 7 in their Form 2 (Grade 9) year. This has proven to be greatly beneficial as we provide further guidance in various careers and their decisions on the various options for tertiary study. This also allows students the time and energy to embrace all the facets of school life by being involved in sports, culture and clubs (of which there are many) on offer.

From Form 1 (Grade 8) the following electives are introduced. Students may choose two. They include:

- * Computers & Technology
- * Consumer Studies
- * Dance
- * Dramatic Arts
- * Engineering & Graphic Design
- * Music
- * Sports & Exercise Science
- * Visual Arts

HOW TO APPLY

- Submit completed and signed Application form, together with the following supporting documents: to scadmissions@ashtonballito.co.za
 - * A non-refundable administration fee of R150.00 (One hundred and fifty rand) per child
 - * A copy of the student's Birth Certificate, Identity Document or Passport
 - * A copy of the student's two most recent school reports
 - * POPI Act Consent Form
 - * Copy of Educational Psychologist report or intervention reports (where applicable) i.e. *Occupational Therapy, Speech Therapy etc.*
 - * One colour photograph of the student (head and shoulders)
- Following the review process and subject to space, your child will be invited to write a benchmark assessment and attend a *Meet and Greet* (together with a parent/guardian) with the Senior College Head.
- After a successful meeting with the Senior College Head, a Letter of Acceptance will be sent with Enrolment Documents from Pack 2.
- Upon receipt of the non-refundable Enrolment Fee and the completed and signed Enrolment Documents, the student will be enrolled at Ashton.

The non-refundable Enrolment Fee is required to be paid within 7 working days after offer has been made.
